Re-Elect
County Commissioner
Ken Clark
Working For You

As the senior ranking member of the Galveston County Commissioners' Court, Ken Clark has served the citizens of Precinct 4 for the past 19 years. His consistent leadership has implemented the best of the community's resources and ideas.

Ken has become the leading public official in Galveston County to fight for water conservation and work on vital infrastructure improvements like I-45, Hwy 146, Grand Parkway, Pelican Island Bridge, and Coastal Surge Protection/Ike Dike.

Ken served as the lone Republican on the Commissioners' Court for over a decade before the historic 2010 elections. For over two decades, Ken established himself in the grassroots in Galveston County and proudly of fights in delivering leaner, more efficient, fiscally responsible government. His efforts lead to 7 consecutive tax rate cuts and an upgraded AAA bond rating, an accomplishment shared by only nine other Texas counties, with Galveston being the sole county on the Gulf Coast.

Now in his 17th year of service, Ken continues to serve on the Urban Counties Policy Committee, the Houston-Galveston Area Council Board of Directors and Transportation Policy Council, and the Bay Area Houston Economic Partnership Political Protocol Committee. As an active citizen, Ken earned the Boy Scouts' Golden Eagle award, works on the Longhorn Project Board, is a member of the Galveston County Fair & Rodeo and the National Rifle Association. He is a certified permaculture designer and enjoys gardening.

Ken currently lives in Algoa with his wife Sherry of 29 years where they raised their seven children, including a son who currently serves in the U.S. Navy.
